

Asian Pacific Society of Cardiology Webinar

COVID-19 and the Heart Experiences from the Frontline

Dear Doctors/Professors,

Asian Pacific Society of Cardiology (APSC) cordially invites you to the **Asian Pacific Society of Cardiology Webinar on Friday, 17 April 2020 at 12:00–13:30 (GMT+08:00)**. The topic of this webinar is **‘COVID-19 and the Heart, experiences from the Frontline’**.

What:

- COVID-19 is a fast-moving pandemic.
- The infection has a mortality rate of 3-6%. Patients with underlying CVD are at higher risk of contracting COVID-19 and have a worse prognosis.
- Management of critically ill patients presenting in ER/CCU/Internal Medicine/Cardiology

Who should attend:

- Participants can be Cardiologists, ED physicians, Intensivists, Respiratory specialist, Lab specialist, Internists and physicians who are involved in critical care.

Why should you attend:

- Learning from sharing on clinical experience from frontline China on management of COVID-19 patients with underlying heart disease.
- Learning from Clinical Case sharing by a Cardiologist at the epicenter of the outbreak, Wuhan China.
- Participate in panel discussion session including live Q&A.

We look forward to your attendance at the webinar and a fruitful discussion together!

Sincerely,

Dr Jack Tan Wei Chieh
President-Elect
Asian Pacific Society of Cardiology

Dr Kenny Sin Yong Kong
Education Chair
Asian Pacific Society of Cardiology
